

Everyone,

We will be having are HARC meetings at the new Red Cross building at 1015 Airport Rd. SW, Huntsville, AL 35802 this Friday night October 26, 2018 at 7:30 PM. The new Red Cross building requires badge access. Therefore, we will have someone to staff the door until meeting time. If you show up after the meeting has started, we will have a number posted on the door to call and someone will let you in. The entrance to the building and the meeting room are on North West side of the building. Members needing to use the wheel chair ramp will need to park on the east side of the building and come up the ramp and around the sidewalk to the Northwest entrance. Please see the photo below.
