

This is generic info on Club Shirts.

What we call “**The Event Shirt**” is the yellow seen in photos (65/35 mix). This same color does not come with a pocket. Screen Printing of lettering on back does require an order of 12 or more. 24 is a cheaper price. You call and place your order and wait until 12 are ready to be produced.

You CAN get this yellow shirt with just the front stitching on the front anytime you want to order one. They will take single orders for just front of shirt stitching. Suggest you get name & call on LEFT chest and logo on right, but you can get it either way. Shirts without pockets usually have logo where the pocket would be.

**The Pocket (add \$3) version does not come in “sunflower” yellow, but comes in pocket standard shirt - 65/35 in white, black, burgundy, coffee bean, cool gray, dirt, forest green, navy blue, orange, red, royal blue, stone (gray) ultramarine blue (lighter) Be sure to note that you want call & name over pocket and round club logo on right chest. Looks much better. For your personal shirt you can get any color, short or long sleeve with just the stitching of call & name on pocket side and HARC logo on other side. Price list follows this page. They can be ordered one at a time whenever you want to buy one. Please feel free to contact Carl directly. He is the store owner and will work with you. They already have the logo digitized and can stitch it onto ANY shirt you want to purchase in ANY color that shirt type comes in.**
